Discover 145+ Farmers' Markets Across BC

MAY 2019 TO APRIL 2020

Photo by Thomas Nowaczynski

## Why BC Farmers' Markets?

### Fresh, direct, always in season

Meet the people who grow your food – BC farmers' markets are your best source for fresh food, direct from local farmers. Find the freshest fruits and vegetables, locally raised meat and eggs, artisanal cheese, preserves and honey, craft beer, wine and spirits, savoury treats, handmade artisan goods, and more!

### Invest in local people & communities

By shopping at the farmers' market, you directly support farmers and other small local businesses. Every dollar goes to local producers, and strengthens the local economy. By purchasing direct from farmers, you are also sustaining BC's foodlands for future generations.
