

## Round 2: BC Farmers' Market Expansion Program

### Program Overview

An additional \$142,500 has been added to the BC Farmers' Market Expansion Program to help set up markets for future growth and long-term success while contributing to resilient local food systems.

This second round of the program will continue to enable eligible BC farmers' markets to access funding to cover the costs of eligible signage, equipment, and infrastructure on a first-come, first-served basis.

The BC Farmers' Market Expansion Program is a cost-shared, reimbursement-based program that is being delivered through the Canadian Agricultural Partnership, in collaboration with the BC Association of Farmers' Markets.

**Please note: Applications are only open to eligible farmers' market governing organizations that did not receive funding in the first round of the BC Farmers' Market Expansion Program.**

## Important: Before You Apply

**Application deadline: May 20, 2022 at NOON PST**

**Applications will not be accepted after this deadline.**

**\*NOTE: This deadline is subject to change. The program is first-come, first-serve and may close early if all funding has been committed or otherwise announced by the program administrator.**

**Please ensure you have visited the [BC Farmers' Market Expansion Program](#) webpage on the BCAFM website for full eligibility and program guidelines.**

- Please review the application form in full before starting your online application. You can view a PDF of the application form [here](#). Please note that this PDF form is for review only—the actual application must be submitted online.
- Applications are only open to eligible farmers' market governing organizations that did not receive funding in the first round of the BC Farmers' Market Expansion Program.
- Only one single application per farmers' market governing organization is allowed, including those who run multiple market locations or seasonal markets.
- The application requires details about your market(s) along with details about the signage, equipment, and infrastructure you are seeking funding for.
- You will be asked to upload detailed quotes and supplier information (with all taxes included for all items your organization intends on purchasing with this funding. Please have those documents handy before continuing.
- Applications will be accepted on a first-come, first-serve basis or until available funding has been fully committed or otherwise announced by the Program Administrator.
- The program is providing \$142,500 in funding, with up to \$15,000 (all taxes included) available for each eligible applicant governing organization.
- **Only completed applications will be considered and placed in the first-come, first-serve queue.**
- All applicants will be notified at the end of May about the status of their application.

## Round 2: BC Farmers' Market Expansion Program

### SECTION 4: PROJECT GOALS

Key goals of this program include supporting projects which increase local food and beverage sales and helping farmers' markets operate during emergencies.

\* 1. Please describe how this project will help enable your farmers' market to expand the number of local food/beverage vendors and/or expand local food/beverage sales. In other words, how does this project benefit farmers' market operations, vendors, customers, etc?

\* 2. As an essential service, please describe how this project will help your farmers' market better support access to food in your community and respond during emergencies, such as COVID, flooding, forest fires, etc.

\* 3. Please describe how this project will enable your farmers' market to set a stronger foundation for future growth and long-term success.

## Round 2: BC Farmers' Market Expansion Program

### SECTION 5: FUNDING REQUEST

This is a cost-shared, reimbursement-based funding program which provides your farmers' market with funding to cover 90% of the total project costs, up to a maximum of \$15,000 (all taxes included). **The remaining 10% must be contributed by your organization as a cash contribution.**

For example, a project that costs \$1,000 can be funded with \$900 from the Program and \$100 from your farmers' market organization. Your farmers' market organization would be responsible for paying the entire purchase amount upfront, then would be reimbursed 90% upon submitting your expense claim.

\* 1. Total project cost (all taxes and shipping included)

\* 2. Total program funding requested (all taxes and shipping included)

\* 3. Total amount your organization will be contributing. Applicants are responsible for contributing at least 10% (in cash) of the total cost (including all taxes) of the eligible farmers' market signage, equipment and/or infrastructure.

\* 4. Confirmation of cash contribution

- I confirm my farmers' market governing organization will contribute the cash amount stated above in Question 3.

## Round 2: BC Farmers' Market Expansion Program

### SECTION 6: TERMS AND CONDITIONS, CONFIRMATION AND CONSENT

\* 1. Please confirm and consent that you understand the Program terms & conditions:

- Funding is available on a first-come, first-serve basis, until all available funding has been expended.
- Funding is available, on a reimbursement basis, to pay 90% of the total purchase price of the eligible and approved farmers' market signage, equipment, and/or infrastructure. Applicants are responsible for paying the total purchase amount upfront.
- Applicants are responsible for contributing at least 10% (in cash) of the total cost of the eligible farmers' market signage, equipment and/or infrastructure.
- Any expenses incurred before an applicant receives a formal letter of approval from the BC Association of Farmers' Markets/Ministry of Agriculture, Food and Fisheries will NOT be eligible for reimbursement under this program.
- Your farmers' market agrees to complete ALL purchases in full related to this project on or before the following program deadline date (June 30, 2022). An expense form template will be provided with your approval letter.
- Your farmers' market agrees to submit all invoices and expense receipts related to this project on or before June 30, 2022.
- Your farmers' market agrees to submit all proof of payment related to this project (e.g., bank statement, cleared cheque statement, credit card statement) by August 31, 2022.
- Your organization may be required to share information on actual sales from food/beverage vendors post project with BCAFM by September 30, 2022.
- Your organization agrees to provide success stories and vendor feedback about how these investments helped increase the number of food/beverage vendors and/or increase sales from food/beverage vendors post project with BCAFM by September 30, 2022.
