**Welcome to the 2025 Farmers' Market Nutrition Coupon Program Season!**

We're excited to kick off another season of nourishing communities and supporting local farmers. We hope your first coupon weekend went smoothly and that participants are already enjoying the fresh, local bounty BC has to offer.

A heartfelt thank you to everyone who joined us at this year's orientations—whether in person or online. It was a pleasure to connect with so many of you and start the season together.

We're looking forward to the months ahead and can't wait to see the impact you'll continue to make in your communities. Wishing you a wonderful start to the season—and we hope to see you at a farmers' market soon!
