

# NOURISH

**Welcome to the 2025 Nutrition Coupon Season!**

To our Farmers Markets and Community Partners,

We're excited to kick off another season and reconnect with all of you! Thank you for your continued patience, support, and kind words as we worked through a challenging start to the year.

We're looking forward to seeing many of you at our upcoming orientations and to another nourishing season ahead—getting more fresh, nutritious food into the hands of the communities we serve.

## Orientations

Due to unexpected printing delays, we've had to postpone the orientations originally scheduled for the Interior and the North. Please find our updated orientation schedule below.

If the new dates now allow you to attend in person instead of online, we strongly encourage you to do so. With the Canada Post strike, there may be further delays in receiving your coupons and program materials by mail. If you're unable to attend in person, please consider making arrangements for someone to pick up your materials on your behalf.

As a reminder, it's mandatory for one person from your organization to attend an orientation either in person or online.
